
Gretsch Unsigned Band Contest

Posted by MusicFan - 2008/04/23 05:30

I came across this contest while looking up Gretsch guitars online and it seems like it might be a good opportunity. Check it out: www.gretsch125th.com/contest

The prizes look awesome! I think I'll do it....just not sure which one song I'll enter. Anybody else interested?
